Message from Alison and the team

So today is 1st May and as I write this the sun is shining! The other good news is that we may be past the peak of the pandemic although we **MUST** be cautious and safe in our management of the next stage of the situation. More news will come out to you next week but whatever that may be and whenever the return to school starts please prepare for a **very gradual** return to school once it is announced. We have to make sure we keep your children and our staff as safe as we can and social distancing is well nigh impossible with our children! This has been a positive week with revised arrangements in place for home learning and support from which we have had very positive feedback. Please check out the websites if you haven't done so already, they are fab. This week Cliffdale posted a fun video on their Facebook page—the staff Toilet Roll Challenge! The other schools are following suit and Mary Rose video is nearly ready to go live! It's designed to raise spirits and give you an opportunity to laugh with your children at our 'mad' but dedicated teams!

Our theme for the newsletter this week is “**ALL CREATURES GREAT AND SMALL**” please enjoy the photos of pupils interacting with animals and do please keep sending your photos in to familyphotos@solentacademiestrust.info we send them all on to staff and post them on the websites.

Hello how are you?

ALL CREATURES GREAT AND SMALL bringing comfort to our pupils!!!
