Message from Alison and the team

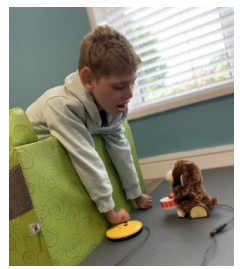

A busy week! I hope that you are all well and managing to process all the guidance and information that is coming out daily. As far as school goes we have now set up our PODS so that pupils and staff work together and stay together in their PODS at all times of the day. This is working well and the feedback from staff and pupils has been positive.

This week it has been announced that not all pupils will return to school before the end of term which is a disappointment for us all but our focus does have to be on keeping safe and for many children the safest place is still at home. We hope that with the gradual reduction in cases of Covid 19, that eventually restrictions will ease but not before we are confident that the infection is under control.

Your photos brighten up our lives every week and staff really love to see them, please do keep sending them over it gives us all a boost. From next week we will be awarding a 'prize' for the photograph of the week. Come on you budding photographers please do send in your entries to familyphoto@solentacademiestrust.info
