Message from Alison and the team

We thought we would finish the term as we started by showing you some of our lovely rainbow pictures saying thank you to all our keyworkers which of course includes our staff. This has been a roller coaster of a term, the like of which we have never experienced before. We would also like to thank every one of you for the way you have worked with us and supported us and each other through this very difficult time. We hope you in turn have felt supported by our staff who have been in regular contact with you through telephone, texts, Zoom and Live Learning sessions. We have also loved seeing all your family photos, they have helped to keep us all going!

This week we say goodbye to our Year 6, Year 11 and Year 14 leavers, I am sure you will join us and wishing them well in the next stage of their lives. They all have places to go to whether it be their next school within the Trust, college or social care provision and we are providing support both now and in September to help them with the transition. It's also goodbye from me. I will miss you all very much but I know I'm leaving you in safe hands with all our schools with amazing heads of school and our new Executive headteacher Sharon Burt. Have a good summer everyone. Keep safe. With best wishes Alison
